

Certificate of constancy of performance

0402 – CPR – SC1064-12

In compliance with *Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product

Lighting columns – Part 5: Steel lighting columns

as specified in appendix to this certificate.

Intended use: road lighting columns for circulation areas

Product name: **Steel lighting columns NIPA**

produced by or for

NIPA ApS

Ellehaven 11, DK-5690 Tommerup, Denmark

and produced in the manufacturing plant

same as above.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in annex ZA of the standard

EN 40-5:2002

under system 1 for the performances set out in this certificate are applied and that

the construction products fulfil the prescribed requirements for these performances.

This certificate was first issued on 2012-05-07 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared essential characteristics, do not change, and the construction product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the product certification body.
